NEWS RELEASE

On June 23rd 2010 at 12pm, the 20th Annual NGIS Conference will commence. The conference is hosted by the Nevada Geographic Information Society, a statewide non-profit organization that serves to promote the use of GIS across multiple industries. This year's conference registration will include Guest Speakers, Round Table Discussion, Technical Workshops, Business Luncheon, Vendor Room, Poster Session, Social Events and much more. This year's theme '*GIS Goes Platinum in the Silver State – Celebrating 20 Years of Collaboration*' is showcased by the partnerships that have developed between Federal, State, Local and Private Agencies throughout Nevada. Come out and network with old and new friends at this year's 20th Annual NGIS Conference.
